EverAgain™
 Recyclable nylon

IT'S THE WORLD'S LARGEST CARPET TO CARPET™ RECYCLING PROCESS. By turning post-consumer nylon carpet into stunning new Anso® carpet, over and over, Shaw is saving energy and keeping carpet out of landfills. To learn more, visit shawfloors.com/greenedge.

**Celebrating over 20 years of being Redi
 and taking care of the environment.**

GREEN.
 It's something we never forget.
